“EXPLORE THE CREST OF FELICITY”

“Things change and changes are good. And this one is definitely for the best. The change is an outcome of a purpose to mirror the transformation and growth. We are coming up with faster reach, more varieties and even better options in laminates. This change only means up gradation. The bond we had since years and commitment to serve you will be the same. We are grateful for each one who has been with us throughout the journey. We will make sure to make this change worth and more trustworthy for you.”

“FLORA FABRIC

“This laminate will give the sense of immortality to your house and will make alive luxuries for generations.”

JT / 61142

“The glimpse like royalty and its beauty to the house.”

“A "flora fabric laminate" refers to a type of decorative laminate sheet that features a design mimicking floral patterns, often with a nature-inspired aesthetic, applied to a base laminate material; essentially, it's a laminate with a "flora" or flower-like design printed on its surface, commonly used in furniture making and interior design to add a touch of natural beauty to surfaces.”

“ JUTE

“Jute laminate is a fabric that combines the natural beauty of jute with a laminated finish. It's a popular choice for sustainable fashion and home furnishings, and is known for its eco-friendly properties, versatility, and durability. Jute is a natural fiber crop in India that has many advantages over synthetic fibers, including its heat resistance, silky luster, and long staple length.”

JT / 61146

JT / 61147

“The solidity of this distinct series will leave you spellbound.”

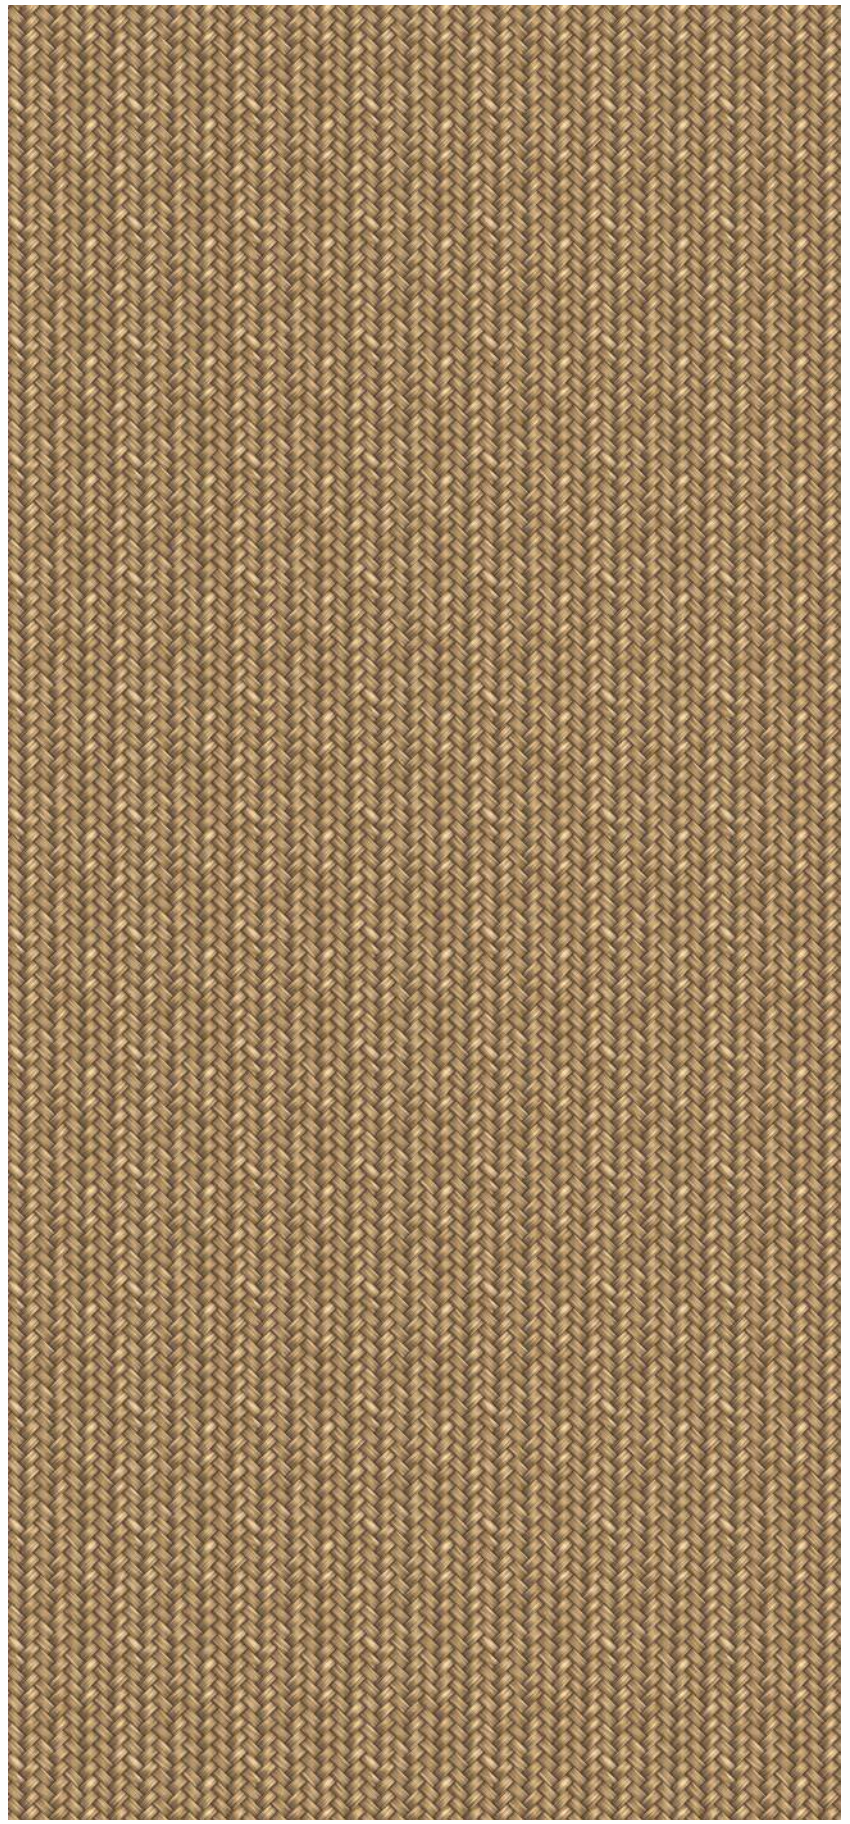

J T / 6 1 1 4 7

“This series celebrates everything that makes oak an irresistible choice.”

JT / 61145

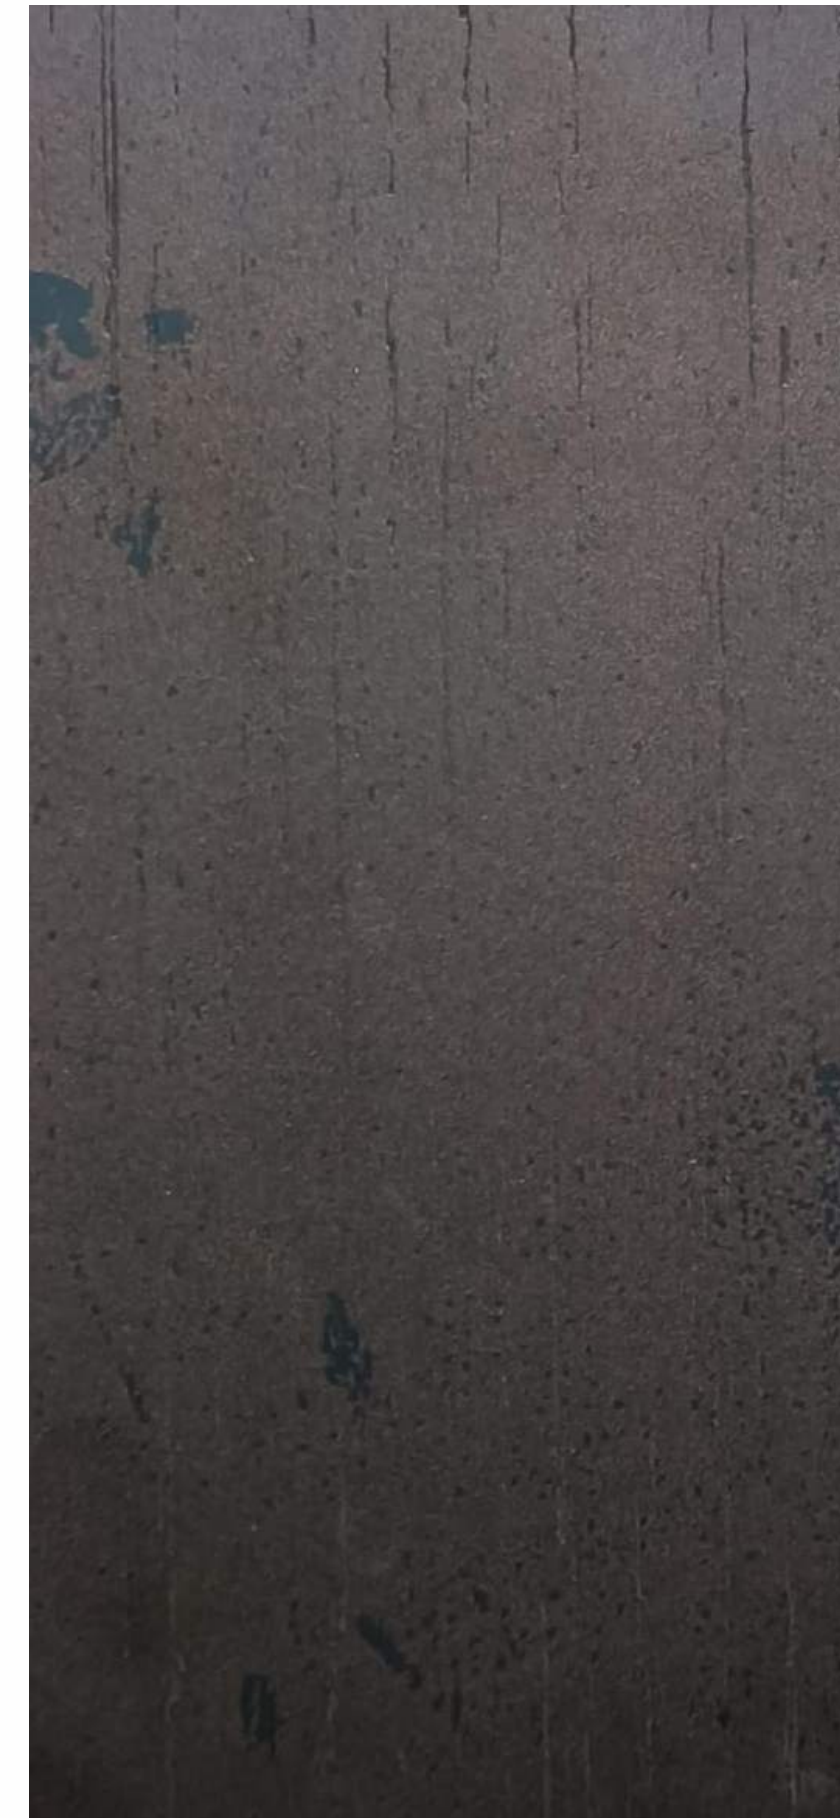

JT / 61148

“METAL SHEET

“A metal laminate finish is a decorative surface material that replicates the look and feel of real metal by bonding a thin sheet of metallic foil to a laminate core, offering a durable, lightweight alternative to solid metal with various finishes like brushed, polished, textured, and different metallic colors like silver, gold, copper, and stainless steel, often used in furniture, wall panels, and interior design applications to add a modern aesthetic; it is considered a cost-effective way to achieve a metallic look without the weight and expense of solid metal.”

“STONE & MARBLE

E U P H O R I A O F “L U X U R Y,”

“Polishing marble means that the porosity of the stone is reduced to a minimum, which means extra protection against the elements which can damage the stone. Polished marble is ideal for work tops in indoor spaces and for wall coatings where a timeless look is sought, Marble & Stone is a metamorphic rock that's typically pink or white in color and made up of carbonate minerals like calcite or dolomite. It has a crystalline texture.”

Grades	:	General
Types	:	Standard, post forming, compact, cabinet liners, backer
Size	:	2440 mm x 1220 mm (8' x 4')
Layers Highlight	:	100% Quality design paper from world best decorative paper manufacturer, We are using best quality craft paper, 100% Melamine resin and 100% phenolic resin, Use of best chemical raw materials for better flexibility & durability, PP wrapping film for surface protection till completion of furnishing work for P.G.
Care & Maintenance	:	Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.
Disclaimer	:	Customers are advised to reconfirm selected laminates when placing order as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of colour, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Information and samples for special cabinet liners, phenolic boards, special purposes compact laminates and post forming laminates are available on request.
Limited Warranty	:	Aurraalam warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care, improper use and/ or any alteration. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only.

LIMITED WARRANTY

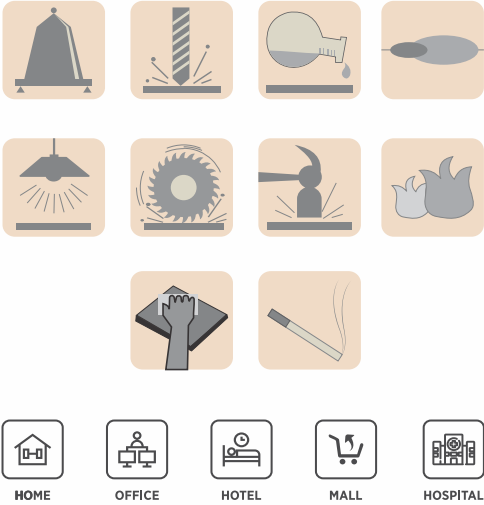

BE CAUTIOUS ON AIR BUBBLES
While pasting the laminate sheets vertically, little extra care is appreciated. If not pressed uniformly, air bubbles possibly can appear.

CUT ANGLE OF 90° ON LAMINATES CAN CAUSE CRACKS, NO CLAIMS WILL BE ENTERTAINED IF DONE SO

When cut with L shape and at 90° angle, one of the two edges might get an elongated cut. Such corners are prone to cracks. Avoid improper bonding and improper weather conditions to prevent cracking.

100% IMPORTED BASE PAPER • 100% PHENOLIC
