### COLLECTION

Our advanced collection redefines convenience with its innovative surface treatment. Designed to resist fingerprints, smudges, and stains, these laminates ensure your surfaces maintain a pristine look with minimal effort. Perfect for both bustling environments and tranquil settings, this collection offers a seamless blend of durability and style. Enjoy the benefits of a clean, sophisticated appearance that endures, all while reducing the need for frequent maintenance.

# ANTI SCRATCH & FINGERPRINT

Bid farewell to fingerprint smudges. The Zero Touch laminate collection is designed to be scratch-resistant and can be effortlessly cleaned to eliminate dirt and grease marks.

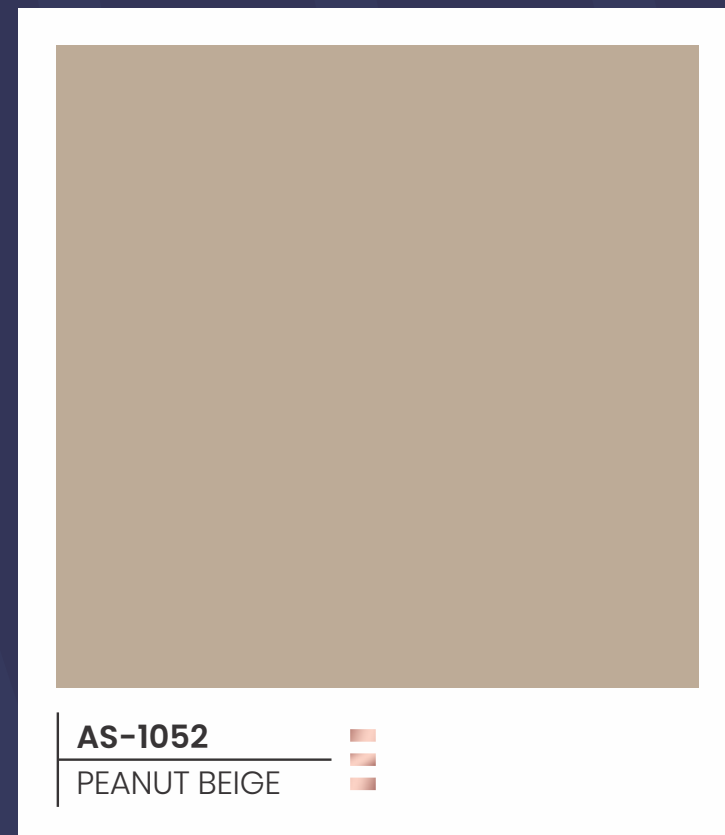

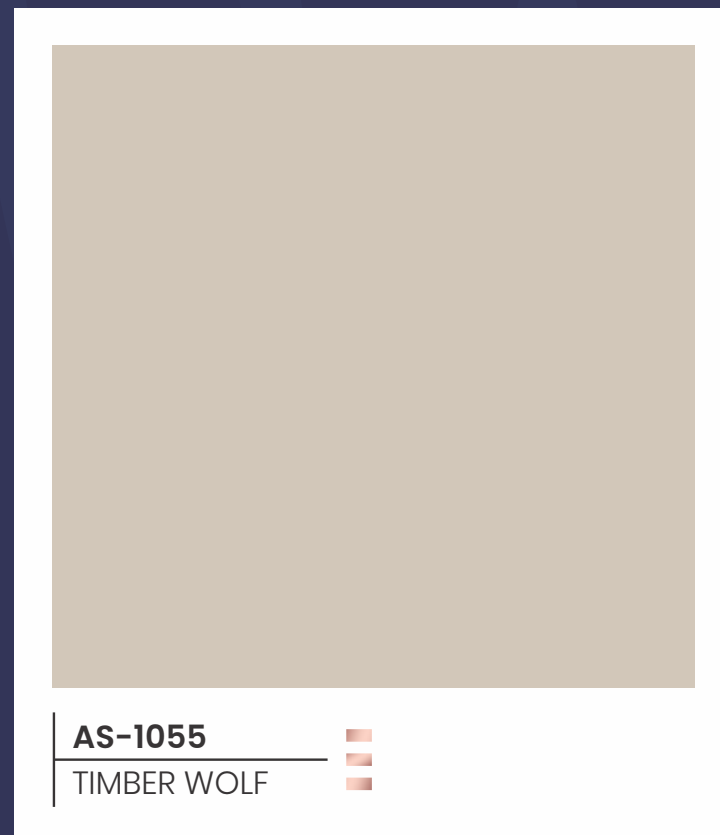

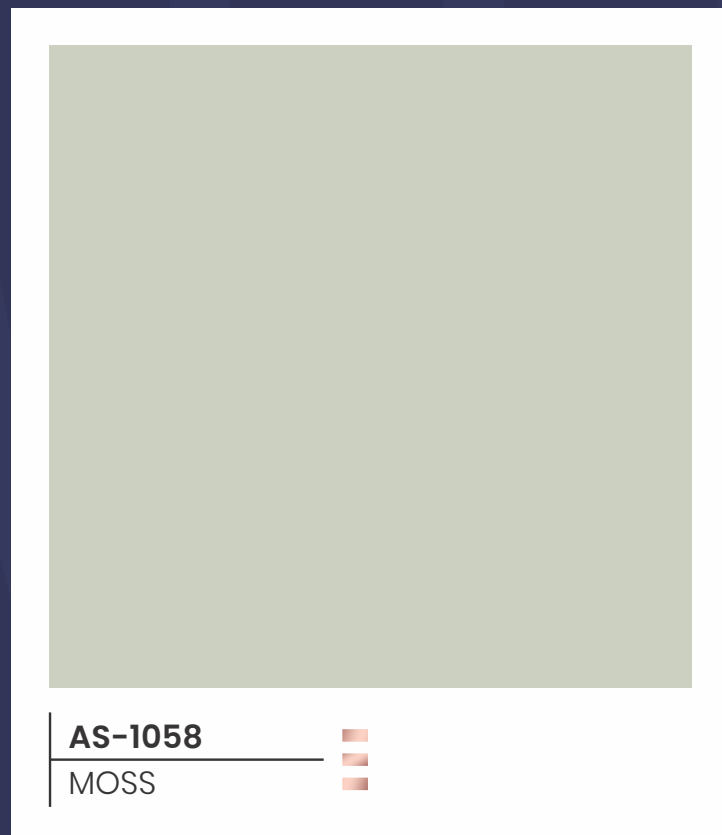

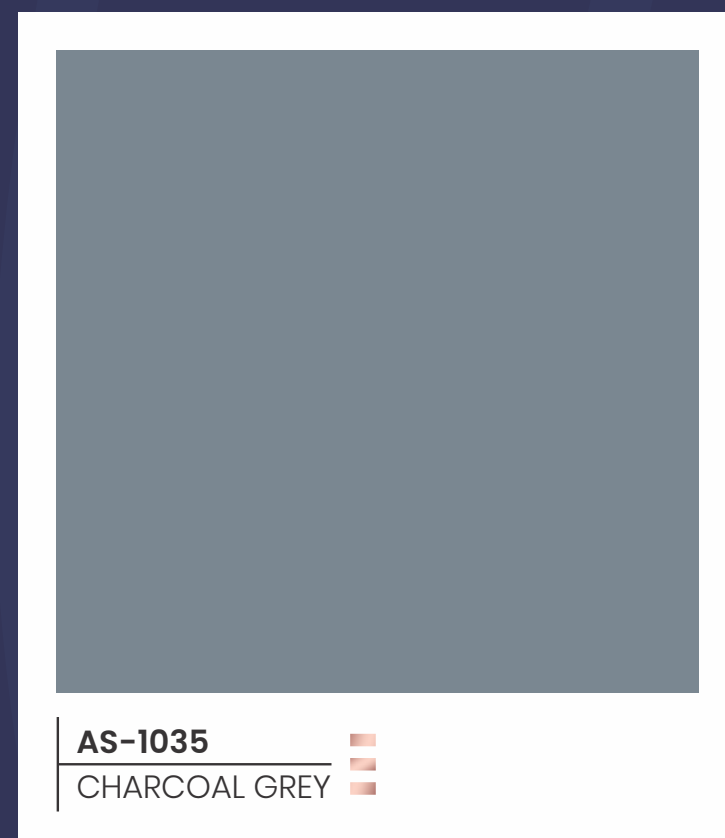

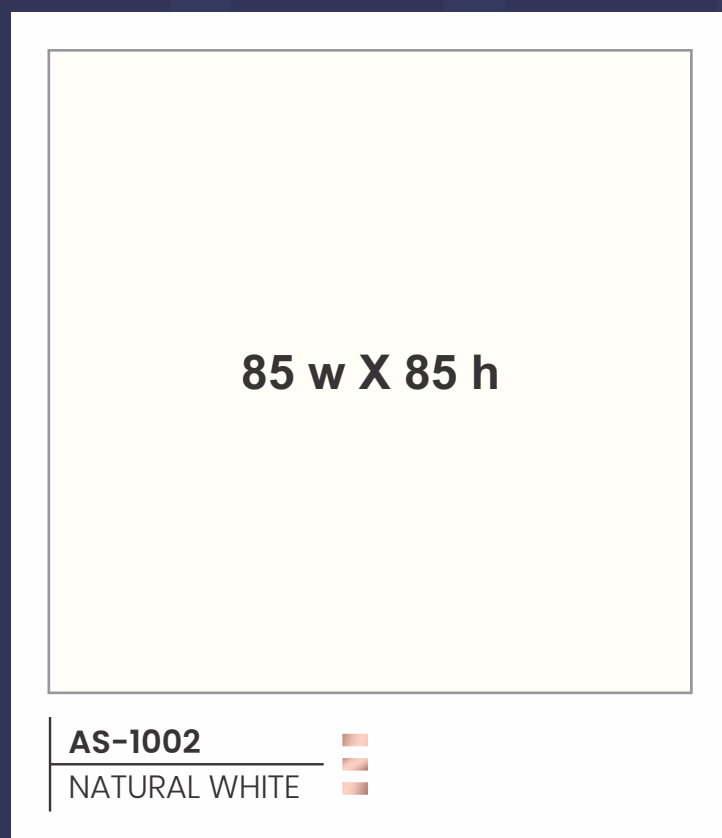

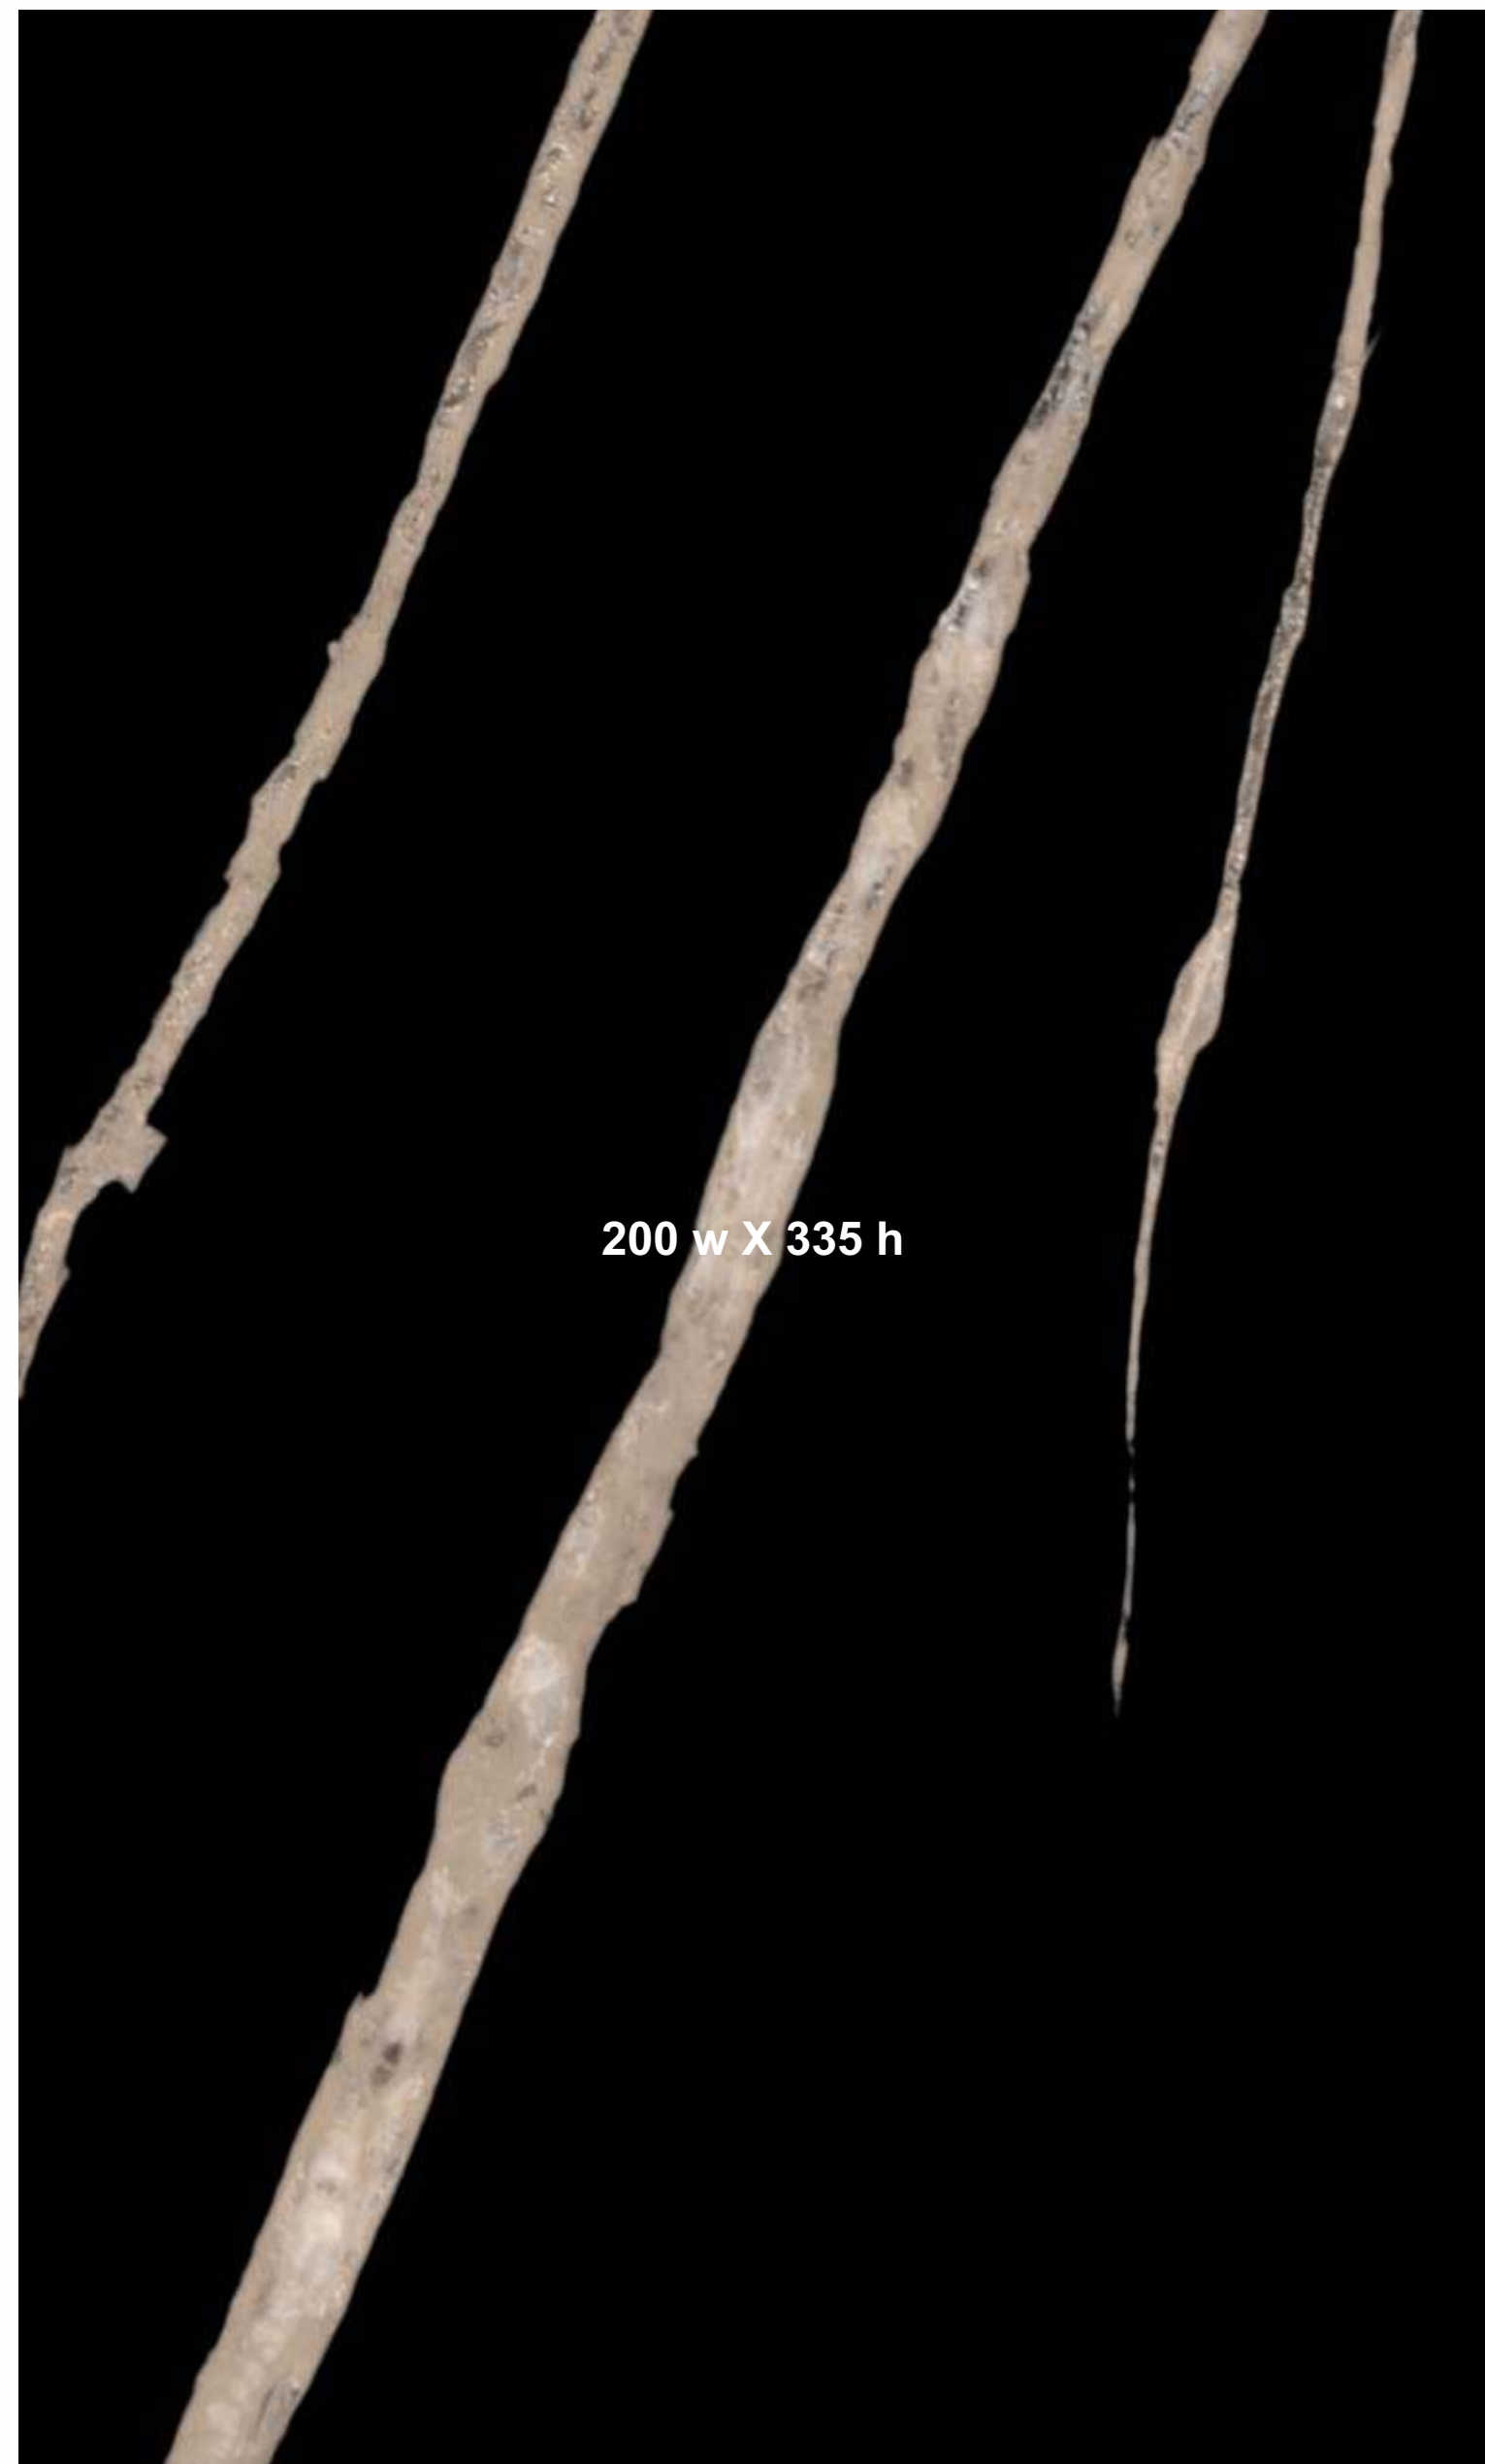

## THE DIY SCRATCH TEST.

Go ahead and give this a try. Take a coin and press it firmly against the surface. After that, simply wipe it with a melamine sponge, and what do you notice? Absolutely nothing!

Zero Touch (Anti-Fingerprint Laminates) features an ultra-matt finish that has been specially engineered to be impression-free, non-porous, scratch-resistant, and water-repellent, making it incredibly easy to remove dirt and grease stains.

# THE TALLEST TALE IN THE SKY

The Burj Khalifa is an architectural marvel that redefines the Dubai skyline with its stunning silhouette inspired by a desert flower. More than just a building, it symbolizes architectural ingenuity and visionary creativity, urging future generations to dream beyond limits and reach for the extraordinary.
